Thursday 21st May –Whole Class Reading–Fantastic Mr Fox

'All us diggers. That's me and Mole and Rabbit and all our wives and children. Even Weasel, who can usually sneak out of the tightest spots, is right now hiding down my hole with Mrs Weasel and six kids. What on earth are we going to do, Foxy? I think we're finished!'

We have read that the families are all going to have a feast. Can you draw a picture of what you think it might look like. Make sure that you include every-one that is mentioned in this section of the story, including the Fox family
