

Phonics

We will begin by recapping all of the Phase 2 and 3 letter sounds

We will practise blending and segmenting sounds for reading and writing. We will learn new tricky words.

Some of us will begin to learn how to put two letters together to make a consonant blend like the letters **tr** and **nk** in the word **trunk**.

Autumn Term

Little Explorers

Through our Window

R.E

We will be learning about ourselves and what makes us special.

We will answer the question “who are the people that make up our local community?”

We will be learning about and celebrating Harvest Festival and Christmas.

English

In English we will be using books written by Martin Waddell (Small Bear Lost and Sailor Bear) to help us learn about sequencing stories. We will use our phonic knowledge to write labels, captions and simple sentences. We will learn how to speak a sentence before writing it down to check that it makes sense and sound right. Some of us will be learning how to use full stops and capital letters correctly.

We will be looking at Non-fiction books to help us create infographic style pages.

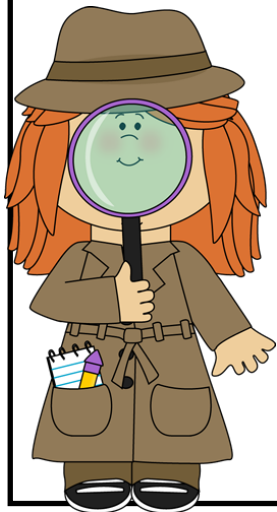

We will be learning to read, write and spell Year 1 common exception words (words of the week)

ICT

We will be learning about how to keep ourselves safe when using the computer.

We will learn how to log on to the computer. We will use cameras and laptops to take photographs to help us create infographics.

We will use beebots to learn about computer programming (algorithms)

Mathematics

In maths we will be counting, forwards and backwards in 1's, sequencing and learning about the value of numbers to 20.

We will learn how to use lots of different resources (number lines, counters and coins) to help us calculate the answers to addition and subtraction problems.

We will learn about the properties of 2D shapes (number of sides/straight or curved).

Creative Curriculum

Throughout this term we will be exploring our local community, we will use and make our own maps and discover all about the points of a compass.

We will research famous explorers from history such as Captain Cook and Emily Watson.

We will work scientifically to test materials before designing and creating our own boats. These will be taken to Pitty Beck for their final voyage.

We will be listening to music as well as using our voices and bodies to create our own music.

P.E

In P.E we will be developing our balance and coordination with running, jumping, throwing and catching.

We will learn how to play team games and use our physical and mental skills to solve problems.

Standing tall and proud of all we achieve.
