

Year 3 snow day work:

- 1) Build a snow man and then write down the instructions for building a snow man.
- 2) Write a poem about the snow/a snowflake.
- 3) Write an adventure story about somebody out in the snow.
- 4) Practise adding 2-digit numbers by partitioning:

$64+32=$ $56+41=$ $78+22=$ $25+93=$

$36+45=$ $45+58=$ $16+23=$ $19+42=$

- 5) Write down as many pairs of numbers as you can think of that equal 100.
