

Year 5 Summer

Magic, Monsters and Mayhem.

RE:

We will be learning about how different faiths have initiation rights such as baptism and conformation.

P.E : This term we are focusing upon invasion games and dance.

Reading:

Please ensure that you listen to your child read daily for at least 10 minutes. Our children are fantastic readers but do need to some support in the compression of what they have read - questions about the text.

Science:

This term we are holding two fantastic science days as hook to deepen our children's understanding of science and scientific skills. On one of these days we will be investigating how the Vikings cleaned dirty water and used evaporation to remove salt from the sea water.

Maths: Our main focus this term will be on developing our understanding of fractions, decimals and percentages.

We will be learning how to multiply and divide fractions. The relationship between fractions, decimals and percentages.

It is important for all children to be able to recall multiplication and division facts up to 12×12 .

Children will be learning about prime and squared numbers and how these are used.

PHSE: We will be discussing how to deal with conflict. What we should do if we feel frightened or threatened. Developing our relationship skills, identifying what we enjoy doing and how to solve any issues which may arise.

Computing: We will be taking part in a visual literacy project with other schools.

We will be researching the Vikings. Using ICT to support our skills in navigating programmes, creating movies and using the green screen to make presentations.

English: This term we will be using a visual literacy prop as our text for our fictional writing. This will be based on the How to train you dragon and Beowulf. We will adapt the story line in fitting with our year 5 curriculum.

In nonfiction we will be writing newspaper reports based around capturing dangerous dragons. Our Explanation texts will be the basis for our DT topic of making a Long ship.

History and Geography:

Our topic this term is the Vicious Vikings...? We will be learning about why they invaded England, their life style and hobbies. The children will be using ICT to research this. As part of this topic the children will also be exploring a real life Viking visitor, using real artefacts and visiting Jorvik. Watch out for the trip letters.

Art/ DT:

We will be creating objects which have levers and pulleys. We plan to work outside to make and use Viking tools. Watch out for our Viking long ships!
