

Year 2 Newsletter – Summer 1 2018

Dear Parents,

Welcome back! Miss Hudson and I (Mrs Wootton) would like to welcome you back to the final term! We hope that you have had a wonderful Easter break.

Spellings and reading will continue to be sent weekly. Please use the **orange planner to sign** and comment on your child's reading. This can be on the weekly page where the spellings are stuck. Children will continue to be heard daily at school and the reading book will be changed once a week. We have seen great progress over the last half term and would like to reward children's efforts in reading at home. If children have their reading record signed having read to an adult at home they will receive a sticker on their chart. Once a chart is filled they will receive a prize. Please check our school website for further tasks.

PE: PE lessons with Miss Canning will continue on a Monday and with the class teacher on Wednesday, but please ensure that your child has their kit in school every day in case we have other opportunities to make the most of the weather and to do additional lessons outside. It would be beneficial if children could bring leggings/joggers and a jumper/hoody for the colder days.

This half term our topic is 'The Great Food Journey' To help us get the full experience we would welcome any knowledge, donations of food dishes from different cultures. Please speak to the class teacher if you would like to support us in that way. Please see the attached curriculum over view.

Should you have any other questions about the routines and learning in Year 2, please do not hesitate to contact us. Miss Hudson and I will be there at the start and end of each day to welcome the children and to see them home safely. We are always here to support you as well as the children.

Yours Sincerely,

Mrs Wootton and Miss Hudson (Year 2 teachers)
