

Year Three Newsletter

June 2018

We welcome you back to school and hope you had a lovely half term break. We have planned lots of exciting activities for the summer term on our theme of 'The adventures of Paddington Bear'.

Mad about Marmalade

What an exciting first week we have had! On Monday the children took part in our "Mad about marmalade Day" when they found out lots of information about citrus fruits. They learned the names for parts of the fruit, made careful observations and drawings. They carried out a science investigation to find out how to get the most juice out of a fruit and discovered

that rolling the lemon first really made a difference. They also made their own marmalade. We tasted the marmalade and most of us loved it!

Linking Schools

At the end of last half term children from Miriam Lord School visited us and we worked together, finding out about each other and making new friends. On Wednesday 13th June we will go to Miriam Lord School for a follow up day of fun activities and a chance to cement our friendships. It is a great opportunity for the children to find out about other people in our city.

Homework

All children will be given homework on Friday to be completed and handed in by Wednesday. Those children completing this regularly are well on their way to learning all the Year Three spellings and times tables. Don't forget to read daily with your child and record it in your reading record.

House points are given for all completed homework and for extra tasks children take on at home. Please make sure your child has their homework diary in school every Friday to record homework as warnings and orange colours will be given for missing diaries

Please see us at the end of the day or call in at the office to make an appointment if you or your child have any concerns or worries. We are always happy to see you.
