

# Road Safety

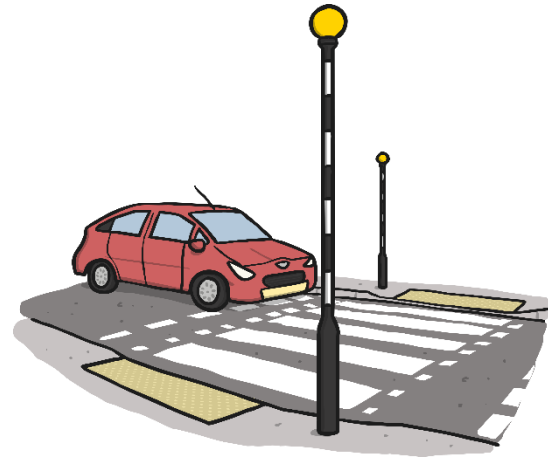

# Road Safety

Crossing the road can be very dangerous. Adults can help you and there are some special rules to follow to make sure you can cross the roads safely.

# Road Safety

On some roads there are things to help you cross, like zebra crossings...

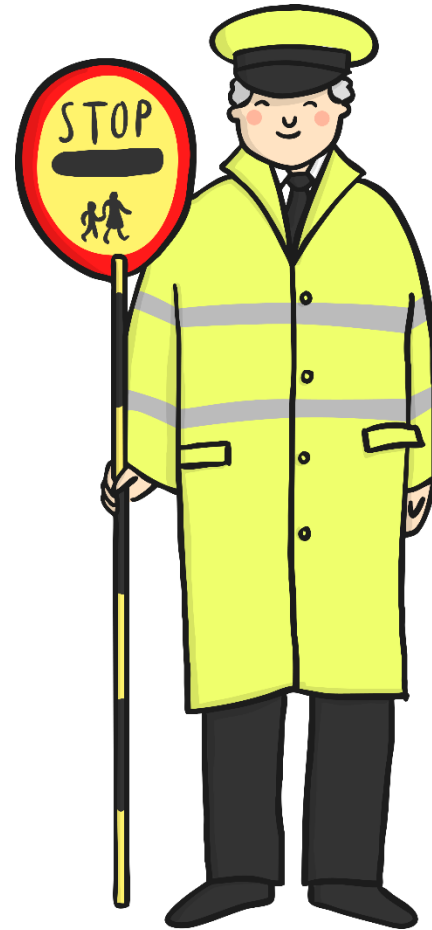

...or pelican crossings.

# Road Safety

On some roads there are people to help you cross. The lollipop person will hold up a special sign to ask cars to stop so that people can cross the road safely.

# Road Safety

When walking with an adult, hold their hand – especially when you need to cross a road.

# Road Safety

There are some special rules to follow to help you keep safe around roads.

**Think** about where you should cross.

Make sure you can see both ways along the road.

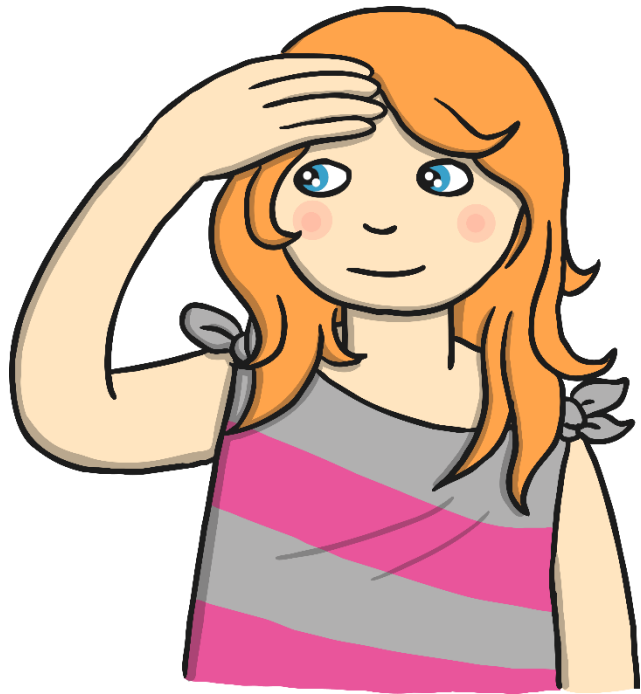

# Road Safety

**Stop** at the side of the road.

# Road Safety

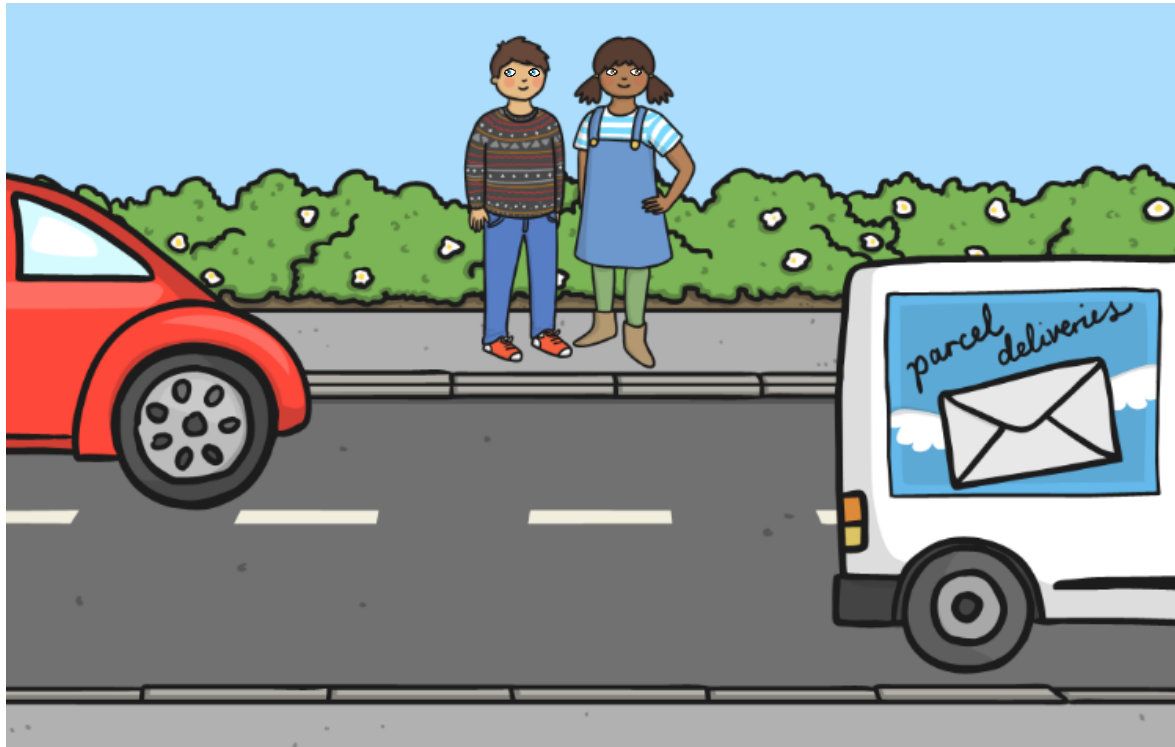

**Look and listen** to see and hear if any vehicles are coming.

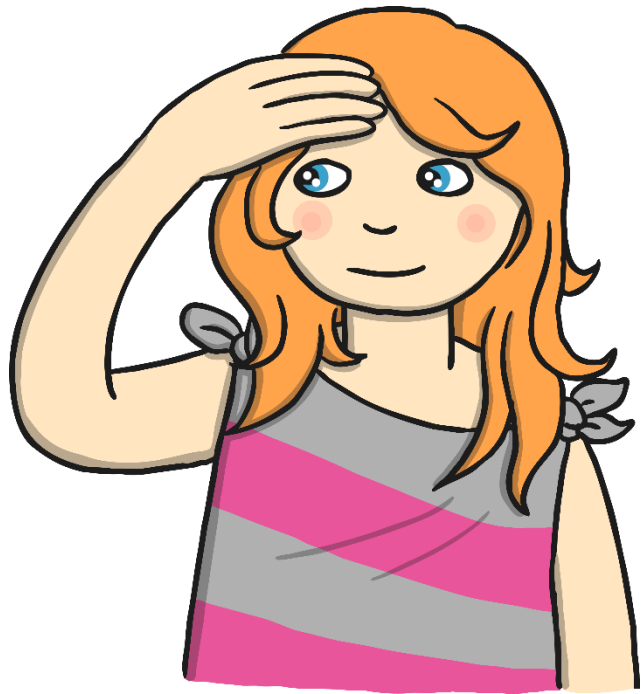

# Road Safety

Wait until the any vehicles have gone past.

# Road Safety

Look and listen again to see and hear if any more vehicles are coming.

# Road Safety

Cross the road – but keep looking and listening.

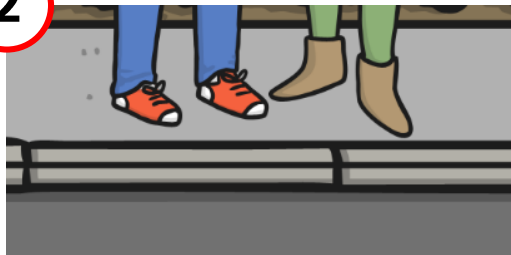

# Road Safety

Can you remember how to cross the road safely?
