

The Mystery of the Missing Moji

In Moji-city, the mojis wake up to the news that there will be a new arrival: 'New Mojis Arrive Today!' Monkey moji  can't believe his eyes, angry moji  is even angrier than usual and happy girl moji  waves her hands high in the air.

Happy smile moji  decides that it would be a good idea to throw a welcoming party , to welcome the new mojies. Crazy moji  thinks this is a great idea so they all start to prepare.

Later that day, the party is ready to begin. The banners are up, the balloons have been blown and the food is all prepared. All of the mojies gather to await their new arrival when all of a sudden, happy smile moji  notices that someone is missing.

Sad moji  is nowhere to be seen but some clues have been left behind. Can you find and solve the clues to help solve the mystery of who lost the missing moji?
