Wednesday

Mrs Browning has a box  
Turn a box on its side with the opening facing away from the children. One by one place between four and six familiar noisy items (e.g. a set of keys, crisp packet, squeaky toy) into the box, pausing to name them and demonstrate the sound each one makes. Sing to the tune of 'Old MacDonald' but using your own name: Mrs...has a box ee i ee i o And in that box she has a... Stop. Gesture and ask the children to listen. Handle one of the objects in the box, out of sight, to make a noise. The children take it in turns to guess what is making the sound. Continue the song but imitating the sound using your voice.

Thursday

I spy

Start very simply by having 3 objects in front of your child, which all begin with a different sound. Ask your child to find the objects that begins with ... You may have to over model this at the start until they are able to hear the initial sounds independently. E.g., Can you find something that begins with 'c'? Let your child look but offer further support if needed by saying c-c-cat.

Once your child becomes more confident you can build up the objects. There is also an I Spy sheet in your child's pack. Eventually you will be able to play with objects in eyesight.
