

50 Things App

All of the activities on this menu are taken from the 50 things (see the #). For more information about these activities please download the app using the QR code.

#10 Sharing stories

Snuggle up and share a story together every day. Adult to read the story first then encourage your child to share a story with you by looking at the pictures.

#47 Baking

Why not bake a spooky treat? This could be as simple as decorating ready made biscuits with icing to making a delicious home made treat.

Nursery's Autumn Homework Menu

#32 Where have I gone?

Whilst we are all staying at home why not play hide and seek. This could be the child that hides or you could hide one of their toys for them to find.

#14 See the stars

In your own garden go outside when it is dark. Can you see the moon?

Can you see the stars?
I wonder where the sun has gone.
