Tuesday	Can you write the words to match the pictures? Use your phonic knowledge to help when writing your sounds.	Write your numbers 1 – 10 and cut them up into number cards. Muddle them up and see if you can order them correctly.
Wednesday	Make a card for one of your friends at school. Draw them a picture, write their name and your name.	Using the number cards from yesterday lay them out in a line. Close your eyes and get your grown up to turn 1 card over. Can you work out which one it is? Repeat with different numbers.
