facial features

Today we will look very carefully at our own facial features.

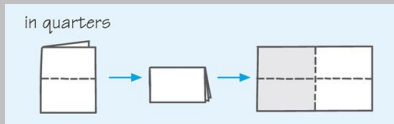

Talk about what facial features are.

Lesson 1

LI: To use drawing to develop and share their ideas.

You will need - a piece of paper folded into quarters.

Free drawing

In one quarter draw a face. You have 1 minute.

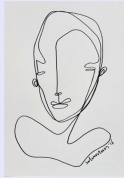

Swap hands - now draw a face with your other hand.

Swap hands - now draw a face with your eyes closed.

Swap hands - now draw a face without taking your pencil off the page.

Charcoal

What facial features do we need to make sure we add?

eyelashes

eyes

eyebrows

mouth

nose

nostrils

Draw a large picture of a face on paper using charcoal or a pencil - photographs for books.

Make sure you add all the features on the previous slide.
