

R.E. Gospel – Week 5. Home learning.

Which is the best gift that Christians believe God gives them?

Put the gifts into the pyramid with the best at the top.

A pyramid diagram consisting of four levels of empty rectangular boxes. The top level has one box. The second level has two boxes. The third level has three boxes. The bottom level has four boxes. The boxes are arranged in a symmetrical, stepped pattern, with each level having one more box than the level above it.

Can you explain why you chose this order?
