How did the fire start?

Thomas Farriner had a bakery in Pudding Lane. On Sunday 2nd September, he had forgotten to put out the ovens. Just after midnight, a spark dropped out of an oven. The spark started a fire. Soon, the whole building was burning.

Thomas's family lived upstairs. They managed to escape by climbing out of a window and on to a neighbour's roof. Their maid was too scared to climb out. Sadly, she died in the fire.
