

Physical Development

- They handle equipment and tools effectively, including pencils for writing.
- Children know the importance for good health of physical exercise, and a healthy diet, and talk about ways to keep healthy and safe.

Maths

- Children count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number.
- Using quantities and objects, they add and subtract two single-digit numbers and count on or back to find the answer.
- They solve problems, including doubling, halving and sharing.

Personal, Social and Emotional Development

- They work as part of a group or class, and understand and follow the rules.
- Children are confident to try new activities, and say why they like some activities more than others
- Children play co-operatively, taking turns with others

Reception Curriculum Overview Summer

Topic- Making a splash

Key theme- Respect

Key Question- How do things change over time?

Grand Finale

Water themed song and dance

Communication and language

- They listen to stories, accurately anticipating key events and respond to what they hear with relevant comments, questions or actions.
- Children follow instructions involving several ideas or actions.
- Children express themselves effectively, showing awareness of listeners' needs.

Expressive Media and Materials

- They safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.
- Children use what they have learnt about media and materials in original ways, thinking about uses and purposes.

Literacy

- Children read and understand simple sentences.
- They use phonic knowledge to decode regular words and read them aloud accurately.
- They also read some common irregular words.
- They write simple sentences which can be read by themselves and others.
- Some words are spelt correctly and others are phonetically plausible.

Understanding the World

- They know that other children don't always enjoy the same things, and are sensitive to this.
- They make observations of animals and plants and explain why some things occur, and talk about changes.
