

# Year 1/2 Autumn 1 - Little Explorers!

**R.E:** In our religious education lesson we will be working hard to answer the big question 'Who made the world?'

**P.E :** In P.E. Mr O'Brien will be teaching us the skills we need for invasions games by learning how to move and stop our bodies in a variety of different ways.

**English:** We will be using the text 'The Golden Wonderflower' where we will focus on the writing skills of letter formation, capital letters and full stops to write our own adventure story!

**Maths-** In our maths lessons we will be learning about place value of a 1 digit number and a 2 digit number. We will also be learning how to partition.

**Design Technology** We will be focussing on structures. This is where we will design, create and evaluate our own 3D planter to used in our outdoor area.

**Reading:** In Whole Class Reading, we are reading a fiction book titled 'The seeds of friendship.' We will be doing lots of book talk which will support our inference and retrieval skills.

## Science:

This term we will be learning about plants and learning the names of British wild plants. We will use our school grounds to explore and find our newly learnt plants.

## History/ Geography

In history and geography we will be learning about Allerton/Thornton. We will be learning about the history of our school, has there always been a school there...? In geography, we will be developing our map reading skills by following how to get from school to Pity Beck.
