COLLECTIVE WORSHIP POLICY STATEMENT

Introduction

At the Academy at St James we are committed to valuing and nurturing each child as an individual who will achieve their best and develop an enthusiasm for lifelong learning. Our vision is for the children in our school to grow into responsible, caring and fulfilled adults who actively and positively contribute to the society in which they live. We are committed to raising standards, values and self-esteem for all those involved with our school through cultivating a secure, yet exciting environment that is positive, supportive, stimulating and enriching.

As a Church of England Primary Academy, we see our Collective Worship as a central part of school life. Our Collective Worship policy fulfils the statutory requirements common to all schools according to the 1988 Education Reform Act (and consolidated in the 1996 Education Act). It also fulfils the Diocesan requirements, which states that worship will be Christian in content with an Anglican emphasis.

Aims

In line with DfES circular 1/94, our aims of collective worship are

- to worship God
- to consider spiritual and moral issues and explore our own beliefs
- to invite participation and response, whether through active involvement in the presentation of worship or through listening to and joining in the worship offered, and
- to develop community spirit, promote a common ethos and shared values and reinforce positive attitudes

Collective Worship provides a daily opportunity:

- to worship God
- for spiritual, moral, social and cultural development
- to reflect on our Academy's shared Christian values
- to develop a community spirit, shared ethos and sense of belonging
- to consider spiritual and moral issues
- to experience and develop a vocabulary of worship (prayer, sacred songs, praise, story, music, reflection, silence etc.)
- to develop Biblical knowledge
- to develop knowledge of the festivals and traditions of the Church of England
- to develop knowledge of the festivals and traditions of other major world faiths
- Worship is invitational.

Content of collective worship

Each act of collective worship includes:-

- story from the Bible (or other faith) with some teaching and reflection linked to the half term's theme
- a time to reflect on what this means for me
- an invitation to prayer
- retiring music linked to the theme
- leadership and input from the RE council

Each half term:

- centres on our Academy's shared Christian value
- covers major Christians festivals including Harvest, Christmas, Easter and Pentecost
- covers important religious festivals from other major faiths; Eid, Holi, Hanukkah, Chinese New Year
- covers other important commemorations including, Remembrance, Holocaust Memorial Day, Martin Luther-King day

Liturgy

Collective worship involves the use of Church of England liturgy and is invitational

- Use of the Grace – emphasis on the Trinitarian belief

The grace of our Lord Jesus Christ, the love of God and the fellowship of the Holy Spirit be with us all now and forever – amen

- Use of the Lord's Prayer in its traditional version

Our Father in heaven,
hallowed be your name,
your kingdom come,
your will be done,
on earth as in heaven.
Give us today our daily bread.
Forgive us our sins
as we forgive those who sin against us.
Lead us not into temptation
but deliver us from evil.
For the kingdom, the power,
and the glory are yours
now and for ever.
Amen.

- Welcome and dismissal

*The Lord is here
His Spirit is with us*

*Go in peace to love and serve the Lord
In the name of Christ – amen*

Annual opportunity to celebrate the eucharist led by the local incumbent.

Inclusion and withdrawal

Collective worship is central to the life of the school. However, parents/carers do have a legal right to withdraw their children from all or part of worship. Before making the decision to exercise that right parents /carers are encouraged to discuss the issues with the Head of School.

Staff have asserted their ability to support the Christian ethos of the school at interview; it is hoped that they are happy to accept the invitation to lead worship when necessary and to worship with the school community.

Monitoring, Evaluation and Review

The school will review this policy annually and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school
