

We did it, Active Bradford Champions!

On Thursday 31st March 2022 during a ceremony which boasted 19 awards celebrating all things physical activity and sport, our school The Academy at St James were crowned winners of the Bradford District Active School Award.

We were fortunate enough to be nominated and then shortlisted as finalists along with two other excellent schools, Baildon C of E & Burley Woodhead C of E.

Thank you to Active Bradford, Living Well and our partners; Join us move play, Yorkshire Sport Foundation, Nature Friendly Schools, The Wildlife Trust and Onna Ju-Jitsu club for supporting our school.

Finally, we would like to thank our incredible staff team, governors and school leaders for their unwavering support and commitment to ensuring our pupils receive regular, positive early experiences surrounding physical activity, outdoor learning and social and emotional wellbeing

Congratulations everyone!
