10th June 2022

Dear Parents/Carers,

We are just notifying you of a change to the date for the whole school trip to Filey. We will now be going on **Tuesday 19th July 2022 instead of Tuesday 12th July 2022**. We were made aware that there is a chance the original date may be during Eid and as this trip is to celebrate the end of another fantastic school year and is a time for us all to be together, we made the changes early.

Please note, the price remains the same as before; £15 and if you have already signed and returned your permission slip there is nothing for you to do; all original permission slips will be accepted. If you have not yet returned your slip or paid for the trip please do so by Tuesday 5th July 2022, this can be paid on either ParentPay or to the School Office. If you are experiencing difficulties with the payment or need another letter please speak to the School Office.

Thank you in advance of your understanding.

We are looking forward to another great day out together.

Yours sincerely,

Mr Tolson
Headteacher
